

**We can teach the Bible to a secondary student.
For a year.
For just \$4 !
Help us to teach many more...**

Bible Knowledge is an optional subject in ALL Tanzanian secondary schools, as is Islamic Studies. But Bible Knowledge is only taught in 3% of schools, because they can't afford the teaching materials. We provide FREE teaching materials to schools and help teachers to use them, so that more Tanzanian youth can study the Bible.

**We're teaching Bible Knowledge in about 45 schools.
There are over 5,000 other secondary schools in Tanzania!
Help us to reach them all.**

- ✓ \$20 will pay for 5 students doing Bible Knowledge (BK) for a year.
- ✓ \$200 will pay for a small school teaching BK for a year.
- ✓ \$2,000 will pay for a cluster of schools teaching BK for a year.
