

Bible Knowledge (BK) exams in 2022

July 2023

The National Examination Council of Tanzania (NECTA) runs annual exams for all subjects in all secondary schools, for Form 2 and Form 4 students. There are no national exams for Forms 1 and 3. NECTA publishes the results for every every student in every exam at www.necta.go.tz/ftsee_results (for Form 2) and www.necta.go.tz/csee_results (for Form 4). The results below are taken directly from the NECTA website and reformatted for convenient presentation, for our participating schools. (With thanks to Charles Lakos for the data extraction.) While we currently have many more participating schools, most of them have yet to teach Bible Knowledge for at least two years, so their students did not sit this subject in 2022. The grades are classed as follows: A=Excellent, B=Very Good, C=Good, D=Satisfactory, F=Fail.

We are thankful that **the number of students taking BK exams in our schools greatly increased** since 2021 both at Form 2 level (2.5 times) and in Form 4 (3.2 times). **The pass rate also improved:** 95% of our Form 4 students passed their BK exam (the same percentage as for all Form 4 exams at these schools), and 68% of our Form 2 BK students passed (62% the year before). This is great proof of the serious efforts of BK teachers and students.
