NOTES

1. NECTA is the National Examination Council of Tanzania. It runs annual exams for all subjects in all schools, for Form 2 and Form 4 students. There are no national exams for Forms 1 and 3.
2. NECTA publishes the results for every student in every exam at www.necta.go.tz/ftsee_results (for Form 2) and www.necta.go.tz/csee_results (for Form 4).
3. The above results are taken directly from the NECTA website and reformatted for convenient presentation, for relevant participating schools. (With thanks to Charles Lakos for the data extraction.)
4. While we currently have many more participating schools, many of them have yet to teach Bible Knowledge for at least two years, so their students did not sit this subject in 2023.
5. The grades are classed as follows: A=Excellent, B=Very Good, C=Good, D=Satisfactory, F=Fail.
